

WOMEN TO THE FRONT

WHAT IS WOMEN TO THE FRONT?

WTTF is an NYC-based, intersectional feminist action group. Founded in 2016, our mission is to fundraise for many hard-working organizations that protect, defend, and advocate for the progressive issues we believe in. WTTF has produced 8 fundraisers which raised ***almost \$100K for 8 incredible non-profits.***

Organizations we've supported are: **EMW**, the last abortion clinic in Kentucky; **THE FLORENCE PROJECT**, which provides free legal and social services to immigrants; **SPREAD THE VOTE**, which fights voter suppression by empowering every citizen with the ability to vote; **SOUTHERN ECHO**, a Mississippi-based organization which focuses on redrawing gerrymandered voting maps / redistricting and getting everyone fairly counted in the 2020 Census; **THE HUMAN UTILITY**, a non-profit that pays water bills for families who can't afford this basic human right; **NEW FLORIDA MAJORITY**, an independent political organization working to increase the voting and political power of marginalized and excluded constituencies toward an inclusive, equitable, and just Florida; **INDIGENOUS WOMEN RISING**, a Reproductive Justice org committed to honoring Indigenous People's inherent right to equitable and culturally safe health options; and **HIGHER HEIGHTS**, a wonderful org dedicated to electing progressive Black women up and down the ballot. Critical to our mission is our central belief that successful FUNdraising should be fun, inclusive, empowering, and accessible.
